INTRODUCTION

Nepal International Trade Fair (NITF 2019) brings multitude of Nepalese and International business enterprises under one roof, allowing them to directly interact with local and international customers and their better business opportunities.

This event aims to promote Nepal's International trade and enhance the growth of Nepalese exportable product base focusing on Nepal Trade Integration Strategy (NTIS) identified products. NITF creates a one-stop platform for international participants to showcase their products and services with among the Nepalese buyers, sellers and customers.

HIGHLIGHTS

- Linkage with the market of over 26 million people
- Cost effective, promotion of new concepts, ideas, products, services and technologies
- One stop sourcing platform for wide range of products including consumer goods & services products
- Test marketing of new concepts, products and technologies
- Opportunities of technology and skill transfer between Nepalese & International participants
- Exploration of investment and joint-venture opportunities
- Platform for B2B and B2C connectivity
- Seminars/Talk programs on relevant topics

FOCUS

- Presenting your products and services to the market and promote them among retailers, wholesaler & distributors
- Learning, exploring and discovering new opportunities by interacting with other exhibitors
- Establishing business contacts with potential buyers, suppliers and technology providers for enhancing your business
